ACKNOWLEDGING RECEIPT OF YOUR RELIEF ITEMS AND OTHER SERVICES

We sincerely acknowledge receipt of your food materials, clothing and support services.

We wish to state we are enthralled with the nature of ties and the existing relationship your foundation has kept with everyone in this Orphanage Home. Our encounters with every one of you for the last two years have been far rewarding that the impact could only be imagined than expressed.

We wish to inform you that your various supplies have greatly helped to improve the health, physiology and psycho-social wellbeing of the needy children in this Orphanage.

On behalf of our revered children, we gratefully appreciate your efforts and keep looking forward to many of your future visits towards reducing challenging gaps.
